Assuming we are in the county-wide Green Phase at the beginning of the school year, you plan to:

765 responses

Which model of instructional delivery would you prefer to see when school reopens:

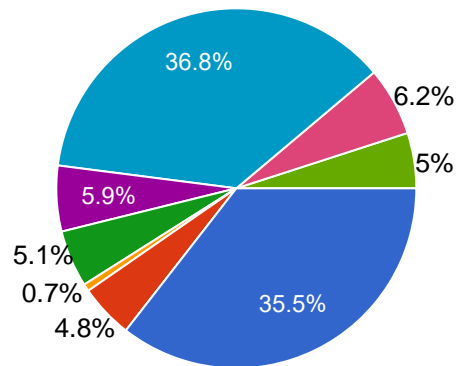

765 responses

71.8%	Traditional model (Students attend school Monday-Friday following normal hours)	549
8.5%	Virtual model (Students do not attend school in person, but rather work online from home)	65
17.6%	Blended model (Students take classes both in person at school and online)	135
2.1%	Not applicable because I don't have children in school	16

Will your child ride the school bus when school reopens?

763 responses

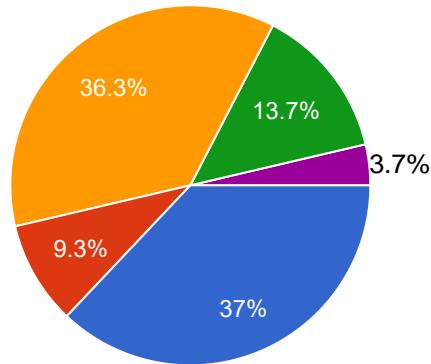

35.5%	Yes	271
4.8%	Yes, with appropriate social distancing	37
0.7%	Yes, if masks required	5
5.1%	Yes, with social distancing and if masks are required	39
5.9%	No. My child walks to school	45
36.8%	No. I normally transport my child to school	281
6.2%	No. My child normally rides the school bus	47
5%	Not applicable because I don't have children in school	38

Which of these statements most closely reflects your thoughts on a mask requirement for staff and students?

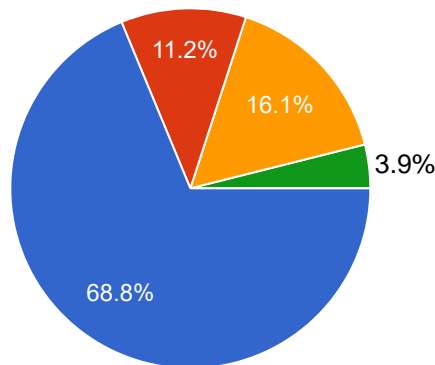

764 responses

- 37% ● My child will attend school whether masks are required or not 283
- 9.3% ● I would only want to send my child to school if masks are required 71
- 36.3% ● I would not want to send my child to school if masks are required 277
- 13.7% ● I am unsure what I will do if masks are required 105
- 3.7% ● Not applicable because I don't have children in school 28

Will you send your child if social distancing is not possible at all times (students and staff at least 6' apart)?

765 responses

- 68.8% ● I would send my child to school whether social distancing is possible or not 526
- 11.2% ● I would not want to send my child to school 86
- 16.1% ● I am unsure what I will do 123
- 3.9% ● Not applicable because I don't have children in school 30
