STRIVING FOR SUCCESS

February 8, 2021

Dear Parent/Guardian,

Pa. School Law requires 11th grade students to receive a physical exam provided by the school district at no cost to families. Wellsboro Area School District has contracted with Laurel Health to provide the examinations. This grade is selected because it represents a critical period of growth and development in a child's life.

If you prefer to pay for a private exam to be done by your family physician, please bring in a copy of that exam by May 3rd, 2021. Any complete exam already done after August 27, 2019 is acceptable, this includes driver's license exams. A copy can also be faxed to the high school at: 570-724-3027.

The 11th grade physicals are scheduled for the end of this year due to COVID. Please complete the bottom of this letter and return to the high school as soon as possible. If you have any questions, please call me at 570-724-3547.

****Also, all students entering 12th grade are required by the state to have a dose of the meningitis (MCV) vaccine at **age 16 or after**. Please check with your family provider to see if your child has had this and send in a copy of the updated immunization record. A copy can be faxed to the high school at: 570-724-3027. Please have this in to the high school no later than August 20th, 2021.**

Thank you,

Alice Nowak, LPN
