STRIVING FOR SUCCESS

February 8, 2021

Dear Parent/Guardian,

Pa. School Law requires 6<sup>th</sup> grade students to receive a physical exam provided by the school district at no cost to families. Wellsboro Area School District has contracted with Laurel Health to provide the examinations. This grade is selected because it represents a critical period of growth and development in a child's life.

If you prefer to pay for a private exam to be done by your family physician, please bring in a copy of that exam by May 3<sup>rd</sup>, 2021. Any complete exam already done after August 27, 2019 is acceptable. A copy can also be faxed to the middle school at: 570-724-4143.

The 6<sup>th</sup> grade physicals are scheduled for the end of this school year. Please complete the bottom portion of this letter and return to the middle school as soon as possible. If you have any questions, please call me at 570-724-2306.

**\*\*Also, all students entering 7<sup>th</sup> grade are required by the state to have a dose of the tetanus diphtheria and pertussis (TDAP) meningitis (MCV) vaccine at **age 11 or after**. Please check with your family provider to see if your child has had this and send in a copy of the updated immunization record. A copy can be faxed to the middle school at: 570-724-2306. Please have this in to the middle school no later than August 20<sup>th</sup>, 2021.**

Thank you,

Hannah Kroll, RN, BSN
