

Wellsboro Area School District

A HORNET RETURNS HOME

HUCK APPROVED AS SUPERINTENDENT

At their regularly scheduled board meeting on March 8, 2022, the Wellsboro Area School Board approved Mrs. Alanna R. Huck as the next Superintendent of Schools. Mrs. Huck has made her way back home to lead her alma mater after leading the Coudersport Area and Galeton Area School Districts. Prior to her time as

Superintendent in those districts, Mrs. Huck was a science teacher, vice-principal, and principal of the Coudersport Jr/Sr High School. Mrs. Huck received a Bachelor's Degree in secondary education, earth and space science from Mansfield University in 1999; a Master's Degree in Educational Administration from Duquesne University in 2004; and her Superintendent Letter of Eligibility from Gannon University in 2009. Mrs. Huck is an active participant in several community organizations, including UPMC board membership and St. Peter's Catholic Church. In response to her appointment, Mrs. Huck shared, "I am excited to walk back in the doors of the Wellsboro Administration building to lead the district

after walking out those same doors of the Wellsboro High School in 1991 as a graduate. To come full circle is exciting and an honor to lead the district into the future." Recognizing Mrs. Huck's community roots, Board President Chris Gatrock noted, "Mrs. Huck's understanding of our community coupled with her leadership experiences make her the ideal candidate for Wellsboro Area School District. I look forward to our work together in serving the students and families of Wellsboro." Mrs. Huck resides in the Borough of Wellsboro with her husband Darwin (WHS class of 1987) and adopted cats. Mrs. Huck is the daughter of Mr. and Mrs. Leo Rice, who also graduated from Wellsboro Area High School.
